ELCA Global Mission

The Stewardship Ministry Team at ALC is the group that connects us with ELCA Global Mission ministries across the globe.

This month two ministries of ELCA Global Missions are highlighted in this edition of "The Messenger"

First, recall when ALC participated in the Lutheran World Relief Farmers Market Coffee program. There is a possibility we would reignite that ministry at ALC. Refresh your memory and learn anew about this impactful mission.

Second, Shetek Conference has a companion synod partnership with the Ondini Circuit in South Africa. (See page 6) This partnership is being revitalized after the COVID-19 pandemic which hindered working together and supporting the sharing of the gospel. God is at work among us. There is opportunity for involvement. See Pr. Anne for details.

Lutheran World Relief Farmer's Market Coffee

Fact: The hardworking farmers who grow your coffee are often the ones who profit the least from it. But there's a better way! For every bag of rich, delicious LWR Farmers Market Coffee you buy, a farmer receives a strong, up-front price for their coffee beans and shares in the profit of the final sale.

With LWR Farmers Market Coffee, farmers aren't just suppliers of coffee beans, they are *partners* in the coffee business. Offered in a balanced medium roast, a classic dark roast or a smooth decaf, LWR Farmers Market Coffee is available in 12oz bags for your home or in bulk for your congregation. Serve it at your congregation's coffee hour. Or sell it for a fundraiser or as an educational opportunity. You can even sign up for a home subscription to enjoy during your morning routine. LUTHERAN WORLD RELIEF

FARMERS MARKET COFFEE

LWR Farmers Market Coffee is sourced directly from coffee farmers participating in Lutheran World Relief projects.

Every delicious cup helps transform poor communities that depend on their coffee crop to feed their families. Farmers are given a stable, predictable, and higher price upfront for their beans.

With LWR Farmers Market Coffee, farmers aren't just suppliers of coffee beans, they are partners in the coffee business.

#SIPBOLDLY

BECAUSE OF YOU *by the Stewardship Ministry Team*

This past school year, ALC responded to the call within the community and focused our generosity toward the Intermediate School. We did that in three significant ways: by participating in the Every Meal program, by treating the school staff with delicious goodies and by collecting classroom supplies. Because of you, the lives of many students and adults were graciously impacted!

As of May 18, we will have completed a successful school year of partnership with Every Meal and the Worthington Intermediate School. Throughout District #518, about 675 students received a bag of ethnically specific food bags each week. Of that number, we, the volunteers from American Lutheran, distributed 191 meals weekly into the registered kids' lockers at the Intermediate School. The Every Meal program was honored with the "Friends of Education Award" this spring by the Worthington Education Association. (Pictured above: Pastor Angel and Lourdas Franco, Pam and Harlan Handevidt, Pastor Jeanette McCormick)

A huge thank you to the many volunteers who so willingly helped with the weekly distributions. They are: Deb Andersen, Sarah Anderson, Marcia Basche, Jean Bastian, Gary and Mary Brandt, Donna Cargin, Dale and Joanne Carlson, Lori Dudley, Judy and Arnie Fischer, Dennis and Dee Hale, Harlan and Pam Handevidt, Lois Harberts, Les Johnson, Karla Kirkeby, Tammy Koller, Kieth and Marj Olson, Lisa Peterson, Karen Pfeifer, Nick Raymo, Jerry and Mavis Sandstrom, Mike Stoll, Jerry and Beve Vajgrt, and Lyle and Connie Voss.

The idea of supporting the staff at the Intermediate School during its first year of operation actually percolated within our own ALC staff. Back when Mary Anne Parker served our congregation, she suggested we do something special for the 150 teachers and other staff members, in addition to the students being served through the Every Meal program. Purchased treats and goodies made by many of the congregation were delivered to the school once a month as a measure of the community's appreciation. Thank you to many of you who assisted and demonstrated that we care about Worthington educators!

In the fall of last year, ALC became aware of a classroom supply need that usually surfaces mid-year at the elementary schools. In January when students typically begin to run out of the supplies purchased for the beginning of the school year, teachers often dip into their own pockets to keep some students supplied. Because of you, ALC responded to that need and collected classroom items during December and January such as markers, pencils, Kleenex, folders, erasers, glue, ziplock baggies, hand sanitizer, and much more. In fact, through your generosity, a total of 2,385 items were donated to both Prairie and the Intermediate School in February! You responded with such enthusiasm!

THANK YOU for delivering, purchasing, baking and most of all for caring! **BECAUSE OF YOU...**students and staff at the Intermediate School were cared for this school year.

Shetek Conference-Ondini Circuit South African Partnership *“Walking Together with Christ”*

WHAT IS THE PURPOSE OF THIS PARTNERSHIP?

The Shetek Conference—which involves congregations in Jackson, Cottonwood, Nobles, Murray, Rock, & Pipestone counties (SW MN Synod of ELCA) & the Ondini Circuit (SE Diocese of ELCSA) that encompasses 60 congregations and 12 parishes are walking together and partnering for the sake of the Gospel to:

- ◆ Build mutual understanding and support as brothers and sisters in Christ across the globe from one another. We walk with our partners to teach, mentor, share our time and talents and money resources. We do this because of our love for Christ and desire to work together to learn, better their lives and broaden relationships;
- ◆ Learn from one another; Assist in creating sustainability in gardens and other projects that can help fund various needs including assisting with pastors salaries
- ◆ Establish small-scale community agricultural projects in the Ondini Circuit for the health and well-being of their communities in partnership with the Zamani Garden Project in the Ondini Circuit. This partnership is active and projects are successful and continue to grow in two key locations. Expansion is a goal to other parishes. They are working together with several resources to enhance their projects and are working to become accountable and sustainable. They have told us “You will not catch us sitting down!” This partnership committee is also responsible for the administration of the Kwazamokuhle Diaconal Center which includes a special school for handicapped children;
- ◆ Help fund school uniforms for school children in the Ondini Circuit (a school uniform—warm and cold weather and gym clothes can cost @\$100);
- ◆ Assist in lay pastor training; and
- ◆ Assist with health and wellness groups including HIV/AIDS, Tuberculosis and Diabetes to improve health.

HOW YOU CAN HELP:

- ◆ Pray for guidance and continued work in this mission partnership.
- ◆ Have a representative from your congregation on the Shetek Partnership Committee.
- ◆ Support Mission Sundays.
- ◆ Support the partnership by sending your contributions to the Shetek Conference Treasurer Carol Serfling. If writing a check, please write Shetek- South African Partnership in the memo line. 100% of the money given goes directly into the partnership account to be used for designated projects.

Communicating with Church Staff Directly

It is not uncommon that church staff receive various kinds of anonymous notes, letters, and packages. This happens across denominations. It is not unique to American Lutheran Church.

Best practices for the ALC staff is that any and all unsigned communication will not be read or responded to. If the communication is perceived as threatening, the appropriate channels will be followed to insure a safe environment.

Transparency is vital to our life as a congregation. Direct communication is fundamental as we walk in the faith of Jesus.

Questions? Please connect with one of the pastors or the congregational president.

OPERATION CHRISTMAS CHILD/SHOEBOX MINISTRY

Our Lutheran Women's Organization has answered the request to coordinate the **Operation Christmas Child/Shoebox Ministry** here at ALC. Throughout the summer months, **ALL ALC MEMBERS** will have the opportunity to help with this project by donating items to fit in the Shoebox. Look for the red wagons located by the main entrances to the church where you can place your donations. A list of basic, useful items to donate will be provided or you can use your own imagination. Another option is to pick up a Shoebox and fill it on your own as you please. Monetary donations will also be welcomed to help with the purchase of needed items. Please consider helping to bring joy to children around the world with your generosity!

CONGREGATIONAL VITALITY SURVEY UPDATE

Director of Evangelical Mission of our Synod, Pr. Troy Pfibsen lead the council in a reflection and discussion of the results of the congregational survey taken in late March-early April.

Next Steps: At the June council meeting, council leaders will begin planning a one-page executive summary of the survey to share with the congregation and ways to have conversation beyond the council. The survey gave a realistic snapshot of ALC as a vibrant congregation learning how to go forward in mission. **More to come!**

2023 SOUTHWESTERN MINNESOTA SYNOD ASSEMBLY

On June 9-10, voting members from synod congregations will gather at Gustavus Adolphus College for the annual assembly. The theme for this year's gathering is "Embody the Word." Our delegates are Pastor Anne, Pastor Jeremy, Arvid Nielsen, Brenda Baerenwald, Gary Brandt, Mary Brandt, Donna Cargin, with alternates of Gary and Lola Lindquist.

A synod assembly report will be shared on Sunday, June 11 during Sunday worship services. Your prayers for the ALC voting members as well as those throughout the synod would be welcome. Please include in your prayers safe travel for all, common sense wisdom during business sessions, and faithful connections through the assembly.

Children & Family

We can't wait to see you at Kids' Camp!

Thank you to all who have given gifts of time and money to make this programming possible.

Look for an update, with pictures, in next month's Messenger.

Thank you to the many teachers and youth assistants who helped with Children's Ministry this year. Our programming is successful because of your helping hands and caring hearts!

Pastor Jeremy recommends: *Wisdom of the Ages* by Jim Stovall

"I am recommending this book because it wrestles with a great question. What kind of legacy do you want to leave behind? This book invites its readers to hear the wisdom of a teacher, physician, banker, soldier, farmer, priest, scientist, laborer, and others as a king wrestles with what he wishes to leave behind to serve as a memorial to his rule. It's a wonderfully written and deeply engaging story that everyone should read!"

Karen Pfeifer recommends: *In the Sanctuary of Outcasts* by Neil White.

I am recommending this book because of its portrayal of humanities ability to change. This is a true autobiographical story of a business man found guilty of white collar crime and sentenced to federal prison in Carville, LA. During his incarceration, Neil realized the facility had served as a leprosarium for over 100 years, and grew to admire the residents for their grace and perseverance, he vowed to become a better man for the friendships and advice he had gained.

Coming in July: Pastor Anne' recommendation and more. . . .

Council Action: Full-Time Youth Director Update

On Thursday, April 20 at the regular monthly meeting, ALC's church council, after discussion and reflection, made the motion to call a full-time Youth Ministry Director. This vote was unanimous for this action to move forward.

Plan moving forward:

- ⇒ The Congregational Council and Pastors will begin a process of developing fundraising goals.
- ⇒ Pastor Jeremy, along with staff, have begun the work of developing a job description to meet the needs of the program.
- ⇒ Once a job description has been formatted, we will meet with Personnel Committee to move the process forward.
- ⇒ The process of forming an interview committee and interviews will begin in the next month or two.

There is \$25,000 allotted in the 2023 congregational budget for this position. Additional funding for the 2023 program year will need to be raised to support this position. Questions, ideas, and concerns can be directed to the pastors and council members.

Please continue to hold these next steps in your prayers as we faithfully move forward into our future together as a congregation. This is an exciting time in our congregation as we keep moving into a promising future.
